Legal Principles of Contract and Commercial Law 8th Edition

But in many cases, there is some in the words of the statute that must be resolved

by the judge. Moreover, courts must also often view a case's statutory context.

Statutory vs. Common Law

Statutory Default Rules: How to Interpret Unclear Legislation.

Commercial Law Case Study Questions

Bear in mind that the busy law-trained reader will value conciseness in this section, so try to present only those facts that are legally significant or that are necessary to make the problem clear.

The essential cases every law student should know

The agreement should address the purpose of the business and the authority and responsibility of each partner. This situation presents a conflict between an individual property owner's right to express his opinion, even in an unconventional way, versus society's interest in an aesthetically pleasing built environment free from bizarre and jarring artifacts.
