## Burgazada (Princes' Islands)

Afterwards, head to the Seminary of Aya Triada on the northern hill of the island.

## Why and How Should You Visit the Princes' Islands in Istanbul?

The hotel, which has been managed by the Hamamcıoğlu family since 1957, is decorated with original Ottoman furniture, Christofle silver-plated cutlery sets, and Lion Paris wicker seats, all from 1908. Minutes from the pier, By Şikri is easy to get to and one of the most visited restaurants on the island. You can explore all the details for your visit such as the historical places of the islands, how to go to Princes Island Istanbul, what to do in Princes Islands Istanbul, what to eat, where to stay, where to visit or which Princes Island to visit, Princes Islands tours and day trips.

## Travel Turkey Info

On the way to the Island you can admire the never ending skyline of Istanbul at the open air deck, enjoy refreshments from the kiosk or listen to stories about the Bosphorus in our audio guide app on your smartphone. There are larger shops, including grocery stores, shoe shops and gift shops, as well as larger restaurants, which the main speciality being fish of course! By boat, that goes without saying. Requiring a walk to the opposite end of the island, it rewards the weary hiker with the most spectacular sunset.

## Why and How Should You Visit the Princes' Islands in Istanbul?

On the corner of the same street lies the Anadolu Kulübü, formerly known as the Prinkipo Yacht Club. A stunning view of the city of Istanbul and the Marmara coast line rewards the climbers.

## The Princes' Islands

Büyütkada is the biggest and most intriguing of the islands that have similar architecture and facilities.
