Jonathan Scourfield is Reader in Social Work at Cardiff School of Social Sciences. This is a valuable collection for practitioners in health and social care, providing practice-focused analyses to demonstrate the crucial role gender sensitivity has for improving interventions, and ultimately outcomes, for children and their families. With contributions from England, Scotland, Wales, Ireland, Canada and New Zealand, Gender and Child Welfare in Society takes an international, multidisciplinary, and multi-professional approach to the subject, offering a broad range of views on topics highly relevant to both practitioners and policy makers.
