Social Construction of Scientific Knowledge

.

Laboratory Life

A 'peek behind the curtain', so-to-speak. But if they had left it at that, who would have read it? In countries where Salk's vaccine has remained in use, the disease has been virtually eradicated. As I suspected, eggheads are really just quacks and charlatans! He argues for an understanding of scientific instruments as mediating technology.

Laboratory Life: The Construction of Scientific Facts on JSTOR

Latour , Bruno : 1986. . Drawing on recent work in literary criticism, the authors study how the social world of the laboratory produces papers and other texts, ' and how the scientific vision of reality becomes that set of statements considered, for the time being, too expensive to change.

Social Construction of Science

It deals with 's 1627—1691 successful blocking of 's 1588—1679 candidacy for membership in the.

Laboratory Life: Does Science Discover Facts or Construct Them?

LaTour believes that through his interests in philosophy, theology, and anthropology, he is actually pursuing a single goal, to understand the different ways that truth is built. The fact became an artifact.
