Sensation and perception : an integrated approach (Book, 2001) [styleguide.expo.io]

It raises the key question: How do the senses gather and secure information about the outside world? This book combines sensation and perception with all biological-sensory aspects of perception with all biological-sensory aspects of perception covered from an evolutionary point of view. This book has hardback covers. Estuve buscando un libro sobre percepción y cognición y los que encontré no me convencían del todo, pues contenían términos muy técnicos y mucha teoría que solo un profesional podía entender.

Sensation and Perception An Integrated Approach
