While this speculation hasn't been adequately proven, his earlier work was important. You don't have to buy everything and abandon everything else---you can take what you like---that's my philosophy, and increasingly the philosophy of most therapists.

Healing the Shame of Childhood Abuse Through Self

Its proprietary processes and exercises help abuse victims reduce or eliminate the shame that has weighed them down and kept them stuck in the past. She has helped me seal criminal record in Boston 25 years non recidivist and helped stop stalker abusing me with restraining order hearings and frivolous 911 calls. You can just feel the energy emanating from her work, and I suspect this a major reason behind her success.
