This analysis provides an insight into the European cocaine market, the trafficking routes used to bring it to Europe, and the different methods criminals employ to move their drugs. Indeed, its defense-related focus-specifically, a focus on systems that process classified information-has been narrowed in recent years. Although I was aware of the killings that had begun ci the Rwandan capital, Kigali, on 6 April, I and the rest of the world had seen little since to suggest the scale of what was happening.
