Why policymakers need to understand the motivations of entrepreneurs GEM Global Entrepreneurship Monitor

The number of employers supporting staff that reveal confidential information drops slightly to 91%.

Brexit

The work of Maria Luddy , , , is particularly important as an introduction to philanthropy.

More rigid views on gender equality and roles often held by younger people

Social privilege in Ireland, in any case, is often dictated more by knowing whose back to scratch. While the official ceremonies were largely praised for their restraint and the absence of an overblown, romanticised narrative for the most part, that does not imply there has been no debate among both historians and in more popular arenas about the legacy of Irish nationalism, as well as its current shape and trajectory. Authors' contributions SS, JA participated in the design of their respective studies discussed in the workshop.
