However, bemo also refers to another type of public transportation that is rarely seen; a fairly small, 3-wheeled truck painted blue with a rear-entry cab that can seat a few people. Keep in mind that a becak can be an uncomfortable ride for someone who is tall if the top is up, but it's a great way to transport a lot of stuff. The distinction is increasingly confused in colloquial Indonesian.

East Asia/Southeast Asia :: Indonesia — The World Factbook

The entry includes the number of ships on the high seas or in territorial waters that were boarded or attacked by pirates, and the number of crewmen abducted or killed, as compiled by the International Mariti.

However, the country is developing rapidly and the World Bank poverty figures have decreased fourfold in the past decade.

Die Insel Bintan, Indonesien

Dutch dominance at that time covered nearly all aspects, with official forums requiring the use of Dutch, although since the Second Youth Congress 1928 the use of Indonesian as the national language was agreed on as one of the tools in the independence struggle.

Indonesia

The policy of transmigration transmigrasi, initiated by the Dutch but continued by Suharto, resettled Javanese, Balinese and Madurese migrants to less crowded parts of the archipelago. In 1945, Indonesian was already in widespread use; in fact, it had been for roughly a thousand years. Es teler, ice mixed with fruits and topped with coconut cream or condensed milk, comes in infinite variations and is a popular choice on a hot day.

Indonesia

In fact, they consciously prevented the language from being spread by refusing to provide education, especially in Dutch, to the native Indonesians

so they would not come to see themselves as equals.
