Causes of Deviance in Society

This is useful in explaining crime and deviance as it indicates how deviant acts can escalate from primary to secondary deviance and when this occurs how an individual is labelled and excluded from society. As a modern social worker, I think, is it only through an understanding of the complexity of such issues that we can to hope address the future; seeing, perhaps, not deviants and criminals but hitherto unaddressed issues, differences and discourses, however as I have shown in this paper this is only possible through a thorough understanding of historical theory.

Labelling, Deviance, and Media

Parents play important role in this process.
