## The Histories (Oxford World's Classics)

But their most conspicuous achievement, which caused them to take a position of importance in Greece, was their brilliant defeat of the invading Gauls at Delphi in B.

## Newcastle University

These fragments have continually accumulated by fresh discoveries. And as, in the one republic, all measures were determined by the multitude; and, in the other, by the most eminent citizens; of so great force was this advantage in the conduct of affairs, that the Romans, though brought by repeated losses into the greatest danger, became, through the wisdom of their counsels, superior to the Carthaginians in the war.

## The Construction of the Sixth Book of Polybius on JSTOR

The readers of the present review, on the contrary, may be more interested in what position does S.

It was true that he was gentle and good, more so than any previous king. He was quick to detect fallacies in these writers, and to reject their dogmatising on the possibilities of nature; yet he does not seem to have had in an eminent degree the topographical faculty, or the power of giving a graphic picture of a locality. At the time when Antiochus occupied Egypt, those of the envoys from Greece who were sent to make peace joined him.

## The Histories, Volume III — Polybius

Now there are two ways by which every kind of government is destroyed; either by some accident that happens from without, or some evil that arises within itself. Raising the very complicated and much-discussed question of whether this manner of writing history had a basis in Aristotelian theory, and presenting a review of the scholarly discussion on the subject, S.

To those, therefore, who come to reside in Rome during the absence of the consuls, the government appears to be purely aristocratic. For from this order, likewise, judges are selected, in almost every accusation of considerable weight, whether it be of a public or private nature.

#### **Newcastle University**

Marcus, urging the league to join the senate in effecting a reconciliation between Antiochus and the kings of Egypt. Sparta was now part of the Achaean league, which at this B. For his account of Sicilian affairs he had studied the works Sicilian history.

#### **The Histories (Oxford World's Classics)**

The article in this contract clearly mentions the Macedonians and their allies the Greeks which were under their reign.
