Celebrating Fife's Conservation Areas

Included in this will be a short description of the proposed works and a note of where the relevant plans can be inspected. Past schemes have included Dunfermline, Kirkcaldy, Dysart, Anstruther and Cupar.

Planning applications

Straightforward repairs, providing you are replacing like with like, and minor works, such as redecorating, will not normally need listed building consent.

Fife Council planning authority: core documents

When this was occupied by 's troops in 1651, one of them accidentally dropped a match into a barrel of gunpowder which was abandoned by a Dysart merchant causing the roof to be blown apart. However, the salt trade prospered between the town and its two trading partners — and the with production thriving between 1570 and 1630. Local Development Plan We continue to work on the Proposed Local Development Plan.

Guide to conservation areas in Scotland

The following is a list of SSSI by area of search, in the. The red headgear of the Francis Colliery is a landmark marking the northern boundaries of the town.
