In a country so chequered as the United States, such must be expected; but I can also assert, that there are many very highly respectable and clever editors in the United States.

The Project Gutenberg eBook of The History of Peter the Great, by Tobias Smollett from Voltaire.

Again, where reason has the ascendancy, what groundless aversion, and paltry jealousy does she not frequently evince at the superior nature of her brilliant sister! When the sly Conqueror durst not stand. All around friends of the new doctrine were rising, and to many, doubtless, it was welcome only because it was — or, rather, seemed to be — a new one.
