Sounding Asian/America: Asian/American Sonic Rhetorics, Multimodal Orientalism, and Digital Composition

The narratives were collected by Father Martin Gusinde in the 1920s and published in his classical study Die Feuerland-Indianer.

Marxism in Latin America from 1909 to the Present: An Anthology

This order of presentation and the separation of the alphabetic from the visual information may disgruntle readers who prefer a simple sequential reading, but it makes better sense considering Dielâs objective of demonstrating how the document was produced over time and the changing political motivations for inscribing its content. Ethnic identity and self-esteem: An exploratory longitudinal study.

Books

Shaping Language Policy in the U.

Wilbert, Johannes [WorldCat Identities]

Parents teach their kids everyday how to behave and act by their actions alone. Society and the adolescent self-image.

Vol. 80, No. 3, Sep., 1978 of American Anthropologist on JSTOR

His 1894 encyclical Praeclara gratulationis praised the cultural and liturgical diversity of expressions of faith within the Church.

Books

Similar inculturation occurred when the ceased and the Germanic and Medieval cultures became dominant, a process taking centuries. Growing up in another culture, there are different guidelines that people have to follow in order to be socially accepted.
