Opposing Measures that Undermine State Interest Rate Caps and Working Toward a National Interest-Rate Cap for all Americans: High-cost predatory lending remains a problem around the nation.

## Bureau of Consumer Protection

The tougher regulator will have authority to bring both administrative and civil actions against previously unregulated industries, including debt collectors, fintech firms, credit reporting agencies and merchant cash advance lenders. Advocates will urge their members of Congress to support a national 36 percent rate limit. Other states are considering teeing up legislation that also expands oversight of unregulated industries.

## Consumer Rights

Providing information to consumers and families, monitoring treatment facilities, training staff and working with rights organizations are some ways the Consumer Advocacy Division protects and promotes Consumer Rights. GovTrack automatically collects legislative information from a variety of governmental and non-governmental sources.
