Korea University Department of Political Science & International Relations

Korea and Two Regimes: Kim Il Sung and Park Chung Hee. But what disturbs me greatly these days is the refusal to engage passionately in the founding principles and dreams of the original movement.

Politics of South Korea

The Ilmin Institute has also organized and held several Conferences in Korea and overseas, and has established educational programs and internships to develop future leaders in the field. He is also the composer of several well-known Unificationist holy songs. Useful for grasping a basic background of how the two countries have developed distinctively different political systems.

Korean politics : striving for democracy and unification / edited by Korean National Commission for ...

In the twenty-first century there have been many difficulties in the relationships between the two Koreas and the US. China believes this is the surest way to reduce tension on the peninsula. It is also worth noting that the Ilmin Institute Currently operates an electronic library through its website.

Korean politics : striving for democracy and unification / edited by Korean National Commission for ...

One poll showed that Koreans overwhelmingly felt that democratization was more important than the economy and that they could sustain a democracy. Authoritarianism and Opposition in South Korea.

The Legacy of Unification Political Theology

Seoul: ORUEM Publishing House, 1994. While at the moment of German reunification the East German population around 17 million was about a third of West Germany's more than 60 million, the North Korean population around 25 million is currently around half of South Korea's around 51 million. Starting in 1982, Chun gradually lifted the restrictions on political activity.

Preparing North Korean Elites for Unification

These regimes or political approaches also have suppressed religious values. The Family Federation for World Peace and Unification , launched in 1996, however did not come under the IIFWP umbrella. Toward a Unified Korea: History and Alternatives.
