### Edgar Degas (1834)

The Gallery has the third largest collection in the world of work by Degas, comprising 21 paintings, 65 sculptures, 34 drawings, 40 prints, 2 copper plates and 1 volume of soft-ground etchings. Degas - The Invisible Eye. To emphasise this fact, he also introduced two pastel drawings in the 1881 exhibition next to the Little Dancer, showing gaunt male figures apparently in a court of law.

### Edgar Degas (1834)

He favoured themes of ballet dancers, laundresses, milliners, horse racing and other every day scenes.

### BBC One

In 1855, he studied painting at the École des Beaux-Arts with Louis Lamothe, learning the traditional Academic style with its emphasis on line and the importance of draftsmanship. Access to the work MS- Edgar Degas: a new date After ten years of study and international research, our work has reached a new milestone with the publication of all paintings and pastels by Edgar Degas with a search engine designed, created and available for all. Like the Impressionists, his aim was to capture moments of modern life, yet he had little interest in painting plein air landscapes and his use of clear, hard outlines, set his works apart from the other Impressionists.

### Edgar Degas (Getty Museum)

With his historical paintings including 1861's Daughter of Jephthah, based on an incident from the Old Testament and his finely-wrought portraits of friends, family members, and clients, the young Degas quickly established a reputation among French art circles and never suffered from the financial problems that plagued many of his contemporaries.

### Edgar Degas : a new page written

To help raise his profile he organised the first exhibition of Impressionism with and.
