Process until the dough forms a ball on the blades, then process one minute longer. Glaze and bake at once, or refrigerate, covered, until wanted, up to half a day. Covers and spine are flat, clean, bright, no rips, no bent corners, visible vertical spine creases front and back, some bumping and rubbing of bottom edges of covers.

Praise for the Hamilton Beach Food Processor and a Hummus Recipe

No highlighting of text, no writing in the margins, and no missing pages.

Cooking Methods

But instead, Child pulled out a bottle of mayonnaise and made tuna sandwiches. I took the general idea and made an amazingly delicious recipe.
