## Events

We also have the right to change these beliefs when we choose. Tomuschat, supra note 50, 7 Golder v.

## Citizens' rights

The court held that the proceedings had breached the boys' rights because the atmosphere of an adult court had prevented them from effectively taking part in their defense. The Social Charter and the Expansion of Rights Although commentators regard the ECHR as the crowning achievement of the Council of Europe, the Council has adopted many other treaties that have developed human rights beyond their traditional core.

## EU Annual Reports on Human Rights and Democracy

The Commission is also working closely with the and other international actors to ensure an efficient and coordinated response to the outbreak. All top EU officials have denounced the suspension of democratic process in the country. Indeed, one cannot fully understand the Council of Europe, the changes it has been through since its inception, or its literature, without understanding the forces that spawned it and have influenced it.

## EU to prepare Magnitsky

The Treaty of the European Union requires new member states to be ECHR members and although unclear whether this applies to existing member states, ECHR membership is an important component of EU values. Video on the Pharmaceutical Strategy The Commission presents a to ensure patients have access to innovative and affordable medicines and to support the competitiveness, innovative capacity and sustainability of the EU's pharmaceutical industry.

## Comparing Human Rights Systems

drafting their laws and constitutions, also in relation to human rights issues.
