Don Quixote: Themes

Let him who calls me wild beast and basilisk, leave me alone as something noxious and evil; let him who calls me ungrateful, withhold his service; who calls me wayward, seek not my acquaintance; who calls me cruel, pursue me not; for this wild beast, this basilisk, this ungrateful, cruel, wayward being has no kind of desire to seek, serve, know, or follow them.

Don Quijote Hawaii

Acts of rebellion or reform are always quixotic, for the reformer aims at undermining the existing institution in order to change it.

Don Quijote Hawaii

Metafictional stuff like that can be pretty entertaining in its own right, but the fact that it was implemented in a book written over four hundred years ago just makes it all the more mind blowing, or at least it does to me. For the remainder of the novel, the narrator claims to be providing a translation of this manuscript—the manuscript and the second narrator, the Arab historian, both lacking authority and credibility. Today, English speakers generally attempt something close to the modern Spanish pronunciation of Quixote Quijote, as, although the traditional English with the value of the letter x in modern English is still sometimes used, resulting in or.

Who is Don Quixote? (with picture)

As a founding work of modern Western literature and one of the earliest canonical novels, it regularly appears high on lists of the greatest works of fiction ever published. Parts of it were very funny, others had wonderful similarities with Shakespeare, some bits were more serious: it's like a mini library in a single volume. In his relationship with his master, Sancho Panza represents the practical realist.

Don Quixote Quotes by Miguel de Cervantes Saavedra

The director said he regretted letting me play the part of the duenna. I plucked up the courage to read it shortly after joining GR, partly through encouragement from others. Meanwhile, Sancho wavers between credulity wishfully thinking the promise of an island for him to rule will come true and pragmatism.
