

Palynology of mid- and late tertiary sediments from the central interior of British Columbia, Canada

Public Archives of Canada, Central Microfilm Unit - Hydrological change in the central interior of British Columbia, Canada: diatom and pollen evidence of millennial

Description: -

-Palynology of mid- and late tertiary sediments from the central interior of British Columbia, Canada

-Palynology of mid- and late tertiary sediments from the central interior of British Columbia, Canada

Notes: Thesis [Ph.D.] - University of British Columbia, 1969.

This edition was published in 1971

Filesize: 40.69 MB

***Abies lasiocarpa* (Hook.) Nutt. in the late**

GEOLOGICAL AND GEOPHYSICAL SETTING used the results of ACCRETE and those of previous studies to compile a geologic cross section from the interior of British Columbia to the Pacific Ocean. Fossil floras of the Smoky Tower locality, Alberta, Canada. Silt deposition in late-glacial lakes of southern British Columbia.

Cenozoic spore

Systematic Biology, 56 3 : 412-430.

Characteristics and origin of coarse gold in Late Pleistocene sediments of the Cariboo placer mining district, British Columbia, Canada

The hydraulic gradient drives the flow of subglacial meltwater Shreve 1972. Ministry of Energy, Mines and Petroleum Resources. The geomorphology of the region, related to late stages of the last glaciation, also remains contentious.

Isolation basin records of late Quaternary sea

The deepest sediments are inferred to be from the Okanagan Centre Glaciation Table 2. Insect Pollination: a Paleontological Perspective.

Midge

Betula leaves and reproductive structures from the Middle Eocene of British Columbia, Canada. A contribution to the Early Tertiary fossil record of the Salvinaceae.

**Areoligeracean dinoflagellate cysts from the upper Campanian (Upper Cretaceous) of Hornby Island, British Columbia, CanadaS.
McLachlan et al.Palynology**

Review of Palaeobotany and Palynology 23:119-127. International Journal of Plant Sciences, 181 4 :443—451. Regardless of your destination, there is a waiting for you.
