## A Fifty

This revised and updated portfolio includes nearly 200 images by the master portrait photographer.

## Yousuf Karsh / Karsh

She died in January 1961 of cancer. Finca Vigía is located in the small, working-class town of San Francisco de Paula, about 10 miles east of Red cloth hardcover in mylar-covered dustjacket.

## Yousuf Karsh

Karsh is a great craftsman who brings unabashed enthusiasm for the power of celebrity -- in these two ways, he has probably most influenced the history of photography. Inscribed by Karsh on title page, and curiously, signed again beneath the Einstein portrait on p. Description: Toronto: University of Toronto Press, 1983.
