Harb Ottawa Centre - Second reading and reference to the Standing Committee on Human Resources Development and the Status of Persons with Disabilities of Bill C-325, An Act to establish national standards across Canada for education provided by the provinces.

1941 Canadian Census

Stringer to Field, 16 Jan. Les répartitions en pourcentage et les taux sont dans la plupart des cas basés sur des données arrondies, alors que les variations en pourcentage et les moyennes sont basées sur des données non arrondies. Ces facteurs de rectification ainsi que des renseignements additionnels sur la méthodologie du recensement plus particulièrement sur l'échantillonnage et la pondération et une Évaluation plus complète de la qualité des données du recensement recueillies auprès de l'échantillon paraîtront dans le bulletin Qualité des données - Population-échantillon n° 99-905 au catalogue.

Species at Risk Public Registry

Of the 366 fish captured, ranging in size from 0. The north cannot be separated from the larger Canadian context, but compressed rates of change have made the problem more acute there. Williams St-Albert - Deuxième lecture et renvoi au Comité permanent des ressources naturelles et des opérations gouvernementales du projet de loi C-373, Loi pourvoyant à l'évaluation des programmes législatifs.
