Ruling elites in every state belonged to small networks of interrelated families that included Revolutionary War heroes, and these elites often appealed to the unbroken line from the Revolution they represented as reason for their public authority. To group all these elements together, to arrange and blend them into anything like a complete and satisfactory portrait, would be a task that requires more penetration and skill than have ever yet been exercised upon his biography. They removed afterwards to Detroit and are found in 1721, taking a leading part in the councils of the western tribes.
