Disappearing And Reviving Sando Ferenczi In The History Of Psychoanalysis PDF Book

This emphasis on empathic reciprocity during the therapeutic encounter was an important contribution to the evolution of psychoanalysis.

Disappearing and reviving : Sándor Ferenczi in the history of psychoanalysis

Ferenczi and beyond: Exile of the Budapest School and solidarity in the psychoanalytic movement during the Nazi Years. An alternative is frequently postulated in the analytic situation between the therapeutic effectiveness of insight, which arises in the patient through recollection, interpretation, and reconstruction, and experience, which is made possible by the patient's emotional participation in the analytic relationship. .
