Famous Amedeo Modigliani Paintings

He managed the mine in Sardinia and also managed the almost 30,000 acres 12,141 ha of timberland the family owned. Modigliani already had a son from his relationship with Simone Thiroux, Gérard Thiroux 1917—2004 , and at least two other illegitimate children. Even though this artists' quarter of Montmartre was characterized by generalized poverty, Modigliani himself presented—initially, at least—as one would expect the son of a family trying to maintain the appearances of its lost financial standing to present: his wardrobe was dapper without ostentation, and the studio he rented was appointed in a style appropriate to someone with a finely attuned taste in plush drapery and Renaissance reproductions.
