Uṣūl al

We have heard that before, too. In Malay-speaking countries in like Indonesia and Malaysia, Christians also use Allah for God besides using their original languages because many words in these countries are adopted from Arabic.

Ta'thīr al

Different objects substances are worshiped. Christians and non-Muslims in these countries sometimes use Allah, sometimes use Tuhan God.

Ta'thīr al

May I ask you, does the God whom Muslims worship guarantee salvation in heaven for his followers? Please use clear and unabbreviated language. A criminal stood before a judge in court and the judge said the criminal was guilty of stealing. The Quran seems to teach that all Muslims will go hell Qs.

What Does the Quran Say About Isa Al

When they arrived, they found that the stone had been rolled away, and instead of Isa, there was an angel Injil, Mark 16:5! If you would like to know more about Isa, please email us.

Ta'thīr al

Would you like to read what the Injil says about Isa? Isa went with the man anyway; and when they arrived at the house, He told the girl to get up and she did Injil, Mark 5:21-42! Rather ISA JESUS is the son of GOD, Prophet or Messenger is not what we should argue about. This is the work of the enemy to bring division amongst HIS people that worship the ONE and ONLY, The CREATOR.
