make it easy for future reference.

Felt Dorothy

And the look of this Indian is really unusual, but at the same time attractive enough to remember some characteristic figures of the company Lenci in the first period.

The Lenci Doll Collector

The doll was found in a villa that belonged to Mussolini during the Second World War.

The Lenci Doll Collector

However, the new owners fully took over the company after 1937 wherein Madame Lenci stayed with the company only as an artistic director. The Lenci factory had indeed been bombed during the war. Many black and white illustrations.
