The job description does not constitute an employment contract and does not alter the at-will relationship between CMP and the employee.

State Museum of Pennsylvania (Harrisburg): UPDATED 2021 All You Need to Know Before You Go (with PHOTOS)

Our visitors explore and interact with robots, investigate the wonders of the human body, and discover river science and animals.

State Museum of Pennsylvania in Harrisburg

While interesting, the collection pales in comparison to those offered at the nearby or at. Application Deadline: February 14, 2021.

Historic Sites and Museums

This exhibit will explore the many ways that Bucks County farmers and growers have invented, innovated and adapted to sustain themselves and produce food for local, regional and global markets, from the early 1800s to the present. A significant component of the exhibit will focus on contemporary agricultural practice, and on how area farmers today work to meet contemporary concerns for profitability, sustainability, and locally-centered markets.
