## EPL (English Premier League) Football (Soccer) Team Color Codes

For example, Celtic will never ever wear red or blue. Celtic and Rangers are rivals, and they really don't care about the rest of the games in the league, that's why they will clash with other teams, but never each other.

## Football Club Home and Away Kit Colours

A player must distribute the ball within 6 seconds of taking possession. Money Money has always been important to success in football.

## Tri

The opportunity to learn, collaborate, and share ideas within the ECNL community is special and unique, and something we look forward to being a part of. So even to this day Arsenal owe the fact that the play in red to Nottingham Forest and some owners who needed to do things as cheaply as possible. Quite a few big teams also have third strips for when both their home and away kits clash but that's more of a money-making thing rather than a necessity if you ask me.
