Cyclopedia of American government : McLaughlin, Andrew Cunningham, 1861

The need of a cyclopedia of American government has been made plain to the editors of this work by their own experience as students and teachers; they have often found trouble in readily obtaining brief and specific discussions of many aspects of the field.

Cyclopedia of American government : McLaughlin, Andrew Cunningham, 1861

Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. This historic book may have numerous typos and missing text.

Cyclopedia of American government : McLaughlin, Andrew Cunningham, 1861

Law 1898 , 114, 148, 267. The large, general cyclopedias, though containing articles of considerable length, have little to say about the details of government, and almost nothing about governmental practices or the activities of what may be called unwritten and extra-legal government. Indeed, international congresses and conferences are becoming so common that affairs which in the early nineteenth century were often the subject of arbitrary action by a single state are now regulated by international agreement.

Cyclopedia of American government : McLaughlin, Andrew Cunningham, 1861

The literature of the subject is large, but there is not in any convenient form a systematic and fairly comprehensive treatment of the whole field. .

Cyclopedia of American government Volume 1: Mclaughlin, Andrew Cunningham: 9781130093223: styleguide.expo.io: Books

The editors are confident that this work will in considerable measure supply the iG cd for a usable, succinct, and comprehensive presentation of practical, actual and tlleoretical government in A merica. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
