Life in the area

At this point in time there was no bus station in the city.

11 of the most beautiful walks in Gloucestershire and the Cotswolds

Edward Somerset's 3rd son Sir Thomas Somerset modernized the old house in the late 1620s, and built a new T-shaped gabled range. The two-bay flanking elevations were five storeys high, and this was modified in 1713 when reduced to three storeys.

'Painstaking work' for investigators after four die in 'horrific' M5 crash near Bristol

Or head to the village green, which overlooks the Norman Church and makes the perfect spot for a summer picnic. Credit to British History Online for the map. In May and June 2016, the old bus station was demolished in preparation for the new one which now had a budget of £7.
