Cosmic Trigger I: Final Secret of the Illuminati by Robert Anton Wilson | Summary & Study Guide by BookRags

Wilson is really sensitive to bigotry, in ways I think are worth reading in context.

Cosmic Trigger I: Final Secret of the Illuminati (Volume 1): Wilson, Robert Anton: 9780692513972: styleguide.expo.io: Books

newilluminati: Cosmic Trigger: Final Secret of the Illuminati

For those who have read the book, you will recognize this date as the one on which Robert tried to contact Sirius for a second time, the first being July 23rd of '73. I'm never really sure if he believes what he's saying or is only saying it to mess with peoples' minds, but in the end that doesn't matter. After all, that's the whole Kabbalah trip, right? If you have not read this book, then read it very soon.

newilluminati: Cosmic Trigger: Final Secret of the Illuminati

Velikovsky's comet, but millions still worship the Bible's god. The first volume was published without numbering, as the second volume did not appear for nearly 15 years.

Cosmic Trigger I: Final Secret of the Illuminati (Volume 1): Wilson, Robert Anton: 9780692513972: styleguide.expo.io: Books

No, no, of course, as it should be. If you have not read this book, then read it very soon. Only that this book is a non-fiction analysis of the same weird things, for clear headed hard-hat science-type thinkers.

Cosmic Trigger I: Final Secret of the Illuminati (Volume 1): Wilson, Robert Anton: 9780692513972: styleguide.expo.io: Books

I don't think this futurism dates the text in a bad way. This book opened my mind and led me to read the following: Nietzsche, Wilhelm Reich, Che

Guvara, Robert Pirsig, Sartre, Aleister Crowley, The Sirius Mystery, Sufism, Sogyal Rinpoche, The Dalai Lama and many many more. You'll find lots of great ideas and concepts for your brain to use.
