National Labour Law Profile: Japan

The written part of the agreements might therefore be simple or vague. These challenges include decreasing membership, declining relevance to younger workers, a fall in the significance of collective bargaining and increasing employer involvement in the export of jobs overseas. Productivity: Learning from the Japanese.

The Evolution of Enterprise Unionism in Japan: A Socio

Extreme individualism must be replaced by more collectivist or cooperative behavior.

The Evolution of Enterprise Unionism in Japan: A Socio-Political Perspective

Management accounting in a true lean TPS environment.

HRM in Japan

Our framework delineates the strategic behaviour patterns of each of the tripartite IR actors under collective bargaining. Mitchell eds Labour Law and Industrial Relations in Asia, Melbourne: Longman Cheshire.

11 Most Important Features of Japanese Management

However, most of the enterprise unions in the same industry are affiliated to industry federations such as the Confederation of Japan Automobile Workers and the Japanese Electronic and Information Union. Abstract This paper proposes an alternative framework to understand enterprise unionism by emphasizing political dynamics and the role of the state in labor relations.
