Published for Internationaal Instituut voor Sociale Geschiedenis. Most of this Russia would share with some other countries, and for a better understanding both of the development of Russian thought itself and of its place in the political thought of mankind it is useful to put it into the context of a wider body of thought. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.

Grekov's National Bolshevik school of historiography, a frequent target under Lenin, was officially recognised and even promoted under Stalin, albeit after accepting the main tenets of. Excerpt from Russian Political Thought: A Concise History Were feasible, it would hardly be worth while, for the residue of peculiarly Russian thoughts would probably be very small and would almost certainly be confined to minor points.

National Bolshevism

Very minimal wear and tear. Solzhenitsyn and his followers, known as *vozhzhedentsy* revivalists, differed from the National Bolsheviks, who were

not religious in tone although not completely hostile to religion and who felt that involvement overseas was important for the prestige and power of Russia. With Dugin viewing national-bolsheviks as a point between communist and fascists, and forced to act in the peripheries of each group.

RUSSIAN POLITICAL MASONRY AND THE FEBRUARY REVOLUTION OF 1917 on JSTOR

Radek subsequently courted some of the radical nationalists he had met in prison to unite with the in the name of National Bolshevism. It is more sensible to define Russian political thought as the sum total of what Russian people have in fact thought about political matters in the course of their history.
