**Little Green Book of Concrete**

Like my noble friend, I hope that the Bill will make a real difference to the plight of homeless people.

**Housing and Planning Bill: 2 Nov 2015: House of Commons debates**

Some accidental landlords may now need to move back into their rental property because they may have lost work due to Covid-19.

**New mna reports.**

Again, I hope that the Minister will feel able to incorporate in this category young offenders who are on the caseloads of youth offending teams where the teams are experiencing great difficulty in securing suitable accommodation for the young people. The Social Care Group has been instrumental in listening to children following appalling scandals in the childcare system. I shall table an to the Bill to that effect, and I hope it will find favour as the Bill progresses.

**Little Green Book of Concrete**

They are easily interfered with. We will look at the recommendations when the final strategy is published, including any recommendations on providing further protection for chalk streams.

**Homelessness Bill: 12 Nov 2001: House of Lords debates**

**Residential Tenancies and Valuation Bill 2020: Second Stage**

The reason for the reclassification is the clumsy—I might even say clunking—provisions of the , taken through the House when he was a. It strangles the ability and the obligation of the public and private sectors to build affordable homes. Colleagues in this House will know of my long association with the.

### **Little Green Book of Concrete**

These aspects of the Bill - forcing tenants to vacate if the landlord requires the property or intends to sell it - are the most concerning for me. They need to be picked up when they fail and encouraged to try and try again.

### **Little Green Book of Concrete**

Will he also confirm that biodiversity net gains will be additional to meeting the legal and policy requirements within the species conservation strategies? However, I will come on to that later.
