Durus Al

It makes sense once you unpack the presuppositions. As you might expect, this may be used in a rural context where you automatically cross each other's paths regularly, but it may also occur in an urban setting where the speaker and the topic person meet frequently, but still somewhat coincidentally and not on a scheduled basis e.

Jabal al

They might notice your absence at your regular pub or your clubhouse or something, but certainly not on the street. Sikhs capturing Delhi Almost all Sikh scholars make a note of this.
