It describes the employment of aerospace forces, their methods of operation, and some of the weapons and equipment used in combat and combat support activities. Many Russian politicians depict them as direct consequences of reform and even of a conspiracy against the Russian nation.

OTA Report: References

It is also apparent that Russia's convergence towards the rest of Europe was very rapid and took no more than 50 years by the beginning of the 1950s. Ideas, 3 10 , 1-26.
