## **9780880708630: Love for a Lifetime: Building a Marriage That Will Go the Distance**

Is forgiveness only for a man you've already married? I thank God every day for my husband. This book is funny, easy to read, and filled with practical, solid christian advise. There is nothing like being loved unconditionally and intimately, decade after decade, by someone who promises to be there for better or for worse for the remaining days of your lives.

### **Love for a Lifetime: Building a Marriage... book by James C. Dobson**

I learned more about building and maintaining a happy marriage from this book than from all the other marriage books I've read combined, and I've read them all.

Honestly, I don't know how I read this and thought it was good. God is still the same and always will be!! This newly updated edition delivers the wisdom that will bring success to your marriage.

My favorite chapter was the sex chapter because it had me cracking up! There is nothing like being loved unconditionally and intimately, decade after decade, by someone who promises to be there for better or for worse for the remaining days of your lives. I think this book was meant more for engaged couples and even newlyweds, but some of the later chapters were pretty informative for already married couples.
