Accordingly, for Nietzsche, memory of the will is what ultimately allowed the emergence of conscience, reason, and identity in the human being, and all this was obtained through a very tough and painful labor.

Genealogies of Morals: Nietzsche, Foucault, Donzelot and the Eccentricity of Ethics

I guess I am just wondering if I might be able to persuade you to clarify the meaning of the 'value' question a bit further, given that Nietzsche studies remain an active area of philosophical research, given his lasting and profound influence on modern literature and philosophy, etc. Are there counters to those answers, and so on? Finally, what we call our soul or conscience is shown to be something which was, in fact, painfully forged upon the body.

Genealogies of Morals: Nietzsche, Foucault, Donzelot and the Eccentricity of Ethics (Language, Discourse, Society) only £7.11

Or maybe most everyone agrees that it was in large part blatantly wrong, but it was blatantly wrong in such interestingly different ways than intuitively obvious yet actually wrong views that came before and keep arising that it has value as sort of a buffer, a counter-narrative that undermines a tempting yet misleading view of human morality. The book may contain highlighting or annotation, the dust jacket may not be present and it may be ex-library.

ethics

Collectable books can be in any condition: They may be signed, a limited first edition, out of print, or have other special qualities that increase the book's value. For instance, Foucault shows that in rejecting homosexuality, the Victorians involuntarily created a new class of individuals, and

consolidated subjects.

Genealogies of Morals: Nietzsche, Foucault, Donzelot and the Eccentricity of Ethics (Language, Discourse, Society) only £7.11

There is a highly respected novelist from Canada called and she wrote a piece of recently that I consider to be in the Nietzschean vein but its relevance is due to the contemporary global economic downturn. Our item information will include the condition and sometimes additional notes in the description too.

Emile Durkheim, Ethics and the Sociology of Morals

Ann Arbor: The University of Michigan Press, 1974. Nietzsche is a highly self-styled warrior-poet.
