Gorbachev and the Soviet Military

It gave me a much greater understanding of who Gorbachev is and how he managed to change the contours of his country. In his Memoirs of the Philippine Revolution, particularly in his Decalogo, he expounded brilliantly on revolutionary restructuring of everything for our moral and social regeneration. Intelligent, hardworking, sober, honest, uxorious, they were a highly competent power couple.

Reagan and Gorbachev: Shutting the Cold War Down

This was a war which angered the Muslim world, and was a problem for the Soviet Union as there were large Muslim populations living within its borders. The Soviets no longer, in contrast to the 1960s, expect any future war to be decided in the early phase with the massive use of nuclear weapons, as espoused by Marshal Vasili Sokolovskii in his classic Military Strategy. To end the arms race, Gorbachev met several times with U.

The Vatican Gorbachev

Gorbachev unleashed forces which he could no longer control. In the meantime it came out that some prelates in the US were involved in, or accused of, homosexual acts or predations — the most in famous being Cardinal McCarrick.

Gorbachev and the Collapse of the Soviet Empire

Gorbachev must have realized this and understood the need for major reforms. Within the Central Committee, moreover, the number of military representatives has remained relatively stable.
