### Ovid. De Arte Amandi.

What is your book about? It is not known how many copies were printed; the 1455 letter cites sources for both 158 and 180 copies.

### Mapping Dartmouth: Your go

The school said that shield will be modified to reflect any future changes made to the tower.

### Dartmouth College Library in the Twenty

Fribourg : Bibliothèque cantonale et universitaire, 2015. What about the thematic distribution of the books, that is, what about the themes of the texts, and the authors who were published? To a certain extent, then, the collection is reflective of both printing trends and popular taste. Over the years incunabula have been used in numerous classes and have been made
