## Compassion and the Individual

Therefore, a truly compassionate attitude towards others does not change even if they behave negatively. They also appear before Bodhi-Drumas, Dharmacakras, or playing a musical instrument.

## Compassion and the Individual

All phenomena from the planet we inhabit to the oceans, clouds, forests and flowers that surround us, arise in dependence upon subtle patterns of energy. He is listed as being second guitarist on Nirvana's and appears on the cover, but did not actually play on any of the tracks. Their character is also clarified in the Adi Parva of the , where they say: We are everlasting lover and beloved.

## The Dalai Lama and Tibet

In addition, we have a tendency to exaggerate small positive qualities. Compassion and the world In conclusion, I would like briefly to expand my thoughts beyond the topic of this short piece and make a wider point: individual happiness can contribute in a profound and effective way to the overall improvement of our entire human community.
