Even more important, they must recognize when something shows greater promise than expected and be able to shift resources to that project.

The 20 Greatest Business Comebacks Stories Of All Time

The company was able to turn itself around with a successful rebrand and new technology like the first iMac. The management of Delta Company started restructuring the airline by cutting jobs and vigorous expansions in Atlanta operations.

Turnaround Management Every Day

To give more people an opportunity for input as well as feedback, bottom-up budgeting will be installed. They will prescribe who is to do what by when. The effects were palpable: the rate of environmental change accelerated and competition intensified.
