How to Date Nippon Marks

It bears their wreath with bow mark. In addition to the Nippon mark, pieces made for the U.

Collector's Encyclopedia to Nippon Porcelain by Joan Van Patten (1979, Hardcover) for sale online

Some wear on the rim see photo.

Identifying Marks and Symbols on Ceramic, China and Pottery

The green stamp proceeds the red with a slight overlap. If the initials in the mark were directly connected to the foreign name, it may have a more awkward translation.

Software and Books for Collectors: Collectors Encyclopedia of Nippon Porcelain: Identification and Values, Collecting Reference

This is usually an artist or the factory owner and is important for further research.

Nippon Publications

Obviously, the original name of a German company was in German. It is intended to instill confidence in the buyer, and inspire a sense of loyalty in the heart of the satisfied collector. The date could have been used at any time during the years on either side of 1895.
