Student Organizations

The Leadership Development Fund is intended to support attendance and participation at professional conferences.

The Rho Chi Society: Beta Delta Chapter of St. John's University College of Pharmacy and Health Sciences

Overseen by the SGA Student Government Association and the POC, these organizations work closely with their faculty advisors providing specialized opportunities to develop connections with national organizations, including specialized education, mentorship, service and outreach in their respective fields. SSVP, in addition to hosting guest speakers and seminars regarding a wide range of topics in veterinary pharmacy, provides excellent opportunities to get directly involved with animals and veterinary pharmacy practice.

Rho Chi Honor Society welcomes 27 new members

Study Abroad The School of Pharmacy and Pharmaceutical Sciences has multiple global health initiatives in education and scholarship available in order to expose students to practical global health concerns, promote culturally competent healthcare, and foster the development of servant leadership in global populations locally, nationally, and internationally.

Pharmacy PharmD

TENNIS CLUB is a flexible program that encourages tennis players of all experience levels to join and create a balanced environment for every member, whether it be competitive or casual. We want to increase the public awareness of the profession of pharmacy by community-involved activities.
