PLace Names

Numerous appendices include information on rail lines, a map of provinces and prefectures, a conversion table for dates, the numbers for 1:20,000 maps, and 50 pages of maps from the Nara period to 1945. Permission to publish, copy, or otherwise use these images must be obtained from Rare Books and Special Collections: CatalogueRecord DOI 10. Chiyoda has the Imperial Palace.

212145542715096641780

One of the six prov China 1810.

UHM Library : Japan Collection CD

It has an index in pinyin to facilitate the search, and short descriptions of each place. Several large fold-out city maps are included. It attempts to incorporate current scholarship in linguistics, geography and folklore studies.

A list of Japanese maps of the Tokugawa era

I also hope that this post helps give people an idea of where I am now when I add new posts. Published by Suhara Mohei at Edo.

The Japan Chronicles: Maps of Japan (日本の地図, にほんのちず, nihon no chizu)

Early Showa place names and boundaries marked in relatively unobtrusive red, with the contemporaneous matter in black.

104055499

These three maps are color-printed. In the absence of any universally recognized standard, we have tried to let common sense govern our description of our maps and the tomes in which we have found them.

A list of Japanese maps of the Tokugawa era

Each entry includes historical, geographical, industrial information as well as information on railroad stations, documents, famous temples and products. Explanatory notes in English, French and Spanish follow the maps. Inside of those wards are towns and cities yes, Tokyo is basically cities within a city that's how massive the metropolis is.
