The Importance of Music in Early Childhood Development

As the infant becomes a toddler, preschooler, and school-aged child, he uses language interactions with others to develop a thinking vocabulary, while continuing to absorb listening vocabulary, to expand the speaking vocabulary, and to develop language reading and writing language vocabularies Gordon 2007a.

What Is The Behavioral Learning Theory?

Now try to vary the accompaniment to highlight or mimic the lyrics in some way. They like songs that repeat words and melodies, use rhythms with a definite beat, and ask them to do things. In general, the exposure to music supports children in their development process to learn the sound of tones and words.

Why Music Matters in the Early Childhood Classroom

Make your lessons active and add to some energy to them! The behavioral learning theory and the social learning theory stem from similar ideas. Aim for spiraling sequence that allows students to approach new music without letting go of the familiar Make new friends, but keep the old. ... Lily Halápy and Fred Macnicol, Trans.
