Fast Cars, Cool Rides

This is not a rental. Drawing on interviews with over 100 young men and women, aged 15-24, and five years of research-cruising hot spots, sitting in on auto shop class, attending car shows-Best explores the fast-paced world of kids and their cars. Buying this item means you agree to the prior message.

Books of Note

A Little Shelf life wear and tear is expected. She reveals a world where cars have incredible significance for kids today, as a means of transportation and thereby freedom to come and go, as status symbols and as a means to express their identities. Spine creases, wear to binding and pages from reading.

Books of Note

Super cars that you could buy and drive on the road.

This publication examines the influence of 'shopping flânerie' as image of contemporary consumerism on city centre governance in the Netherlands, showing how large-scale redevelopment projects are designed to make city centres dissimilar to surrounding shopping centres at urban and regional levels, in an attempt to compete for mobile and fun-seeking shoppers. Via Carscoops A high-value vintage Italian exotic with a Ferrari engine, twitchy high-strung handling, and RWD may seem like the last car you'd ever want to drive in the snow.
