Teaching the Bible Series (12 vols.)

A must for anyone who enjoys solving quirky puzzles. If we think about it for more than a minute, the Holy Spirit might just peel back the layers of our heart, exposing what we truly treasure. It corrects us when we are wrong and teaches us to do what is right.

Matthew Maury's Paths of the Sea

As a student of physical geography, I regard earth, sea, air, and water as parts of a machine, pieces of mechanism, not made with hands....

Are You Waiting for God to Bless You? Six Keys to Unlock God's Blessing

ItF 13, 15, 16, 18, 19? The elderly apostle is looking down the tube and preparing Timothy and Titus and us for the post-apostolic age. One of the great strengths and advantages of a help like this for preachers and Bible study leaders is that it enables us to get a handle on the big picture of how Isaiah fits together before we dive into all the wonderful details, and to see how each part contributes to the whole.

The Bible—A Practical Guide for Modern Man — Watchtower ONLINE LIBRARY

The Bible IS authority for everything it touches.

The Book of Books is a Knowable Word

Consider this an introductory textbook on ciphers and codebreaking.

Matthew Maury's Paths of the Sea

Prior to that, he was the director of Rutherford House, Edinburgh. Jason Fagone, author of the bestselling *The Woman Who Smashed Codes* A terrific cognitive romp through some of the most important puzzlers, challenges, sizzlers and stumpers throughout history. The Best Australian Science Writing

Scientific and Biblical Truth Converge for Gopher Wood

Good for amateur cryptographers, or those who wish to have historical background as they proceed in a journey towards the more mathematical aspects of modern cryptology.
